| Duration of the assignment  | One month  |  |  |

## **ORGANIZATION**

The Adventist Development and Relief Agency (ADRA) Sri Lanka is a locally registered NGO that has been operating in Sri Lanka since 1982. We are also part of the global ADRA network, which is active in 118 countries worldwide. Our primary focus areas include WASH, Nutrition, Refugee Reintegration, Economic Development, and Youth Development.

## THE PROJECT

The CSO INTERCEDE project aligns and focuses on enabling Civil Society Organizations (CSOs) to support vulnerable groups in coping with the socio-economic crisis in estate and rural Sri Lanka. The action aims to strengthen CSOs' skills and capacity to improve the nutritional status of women, youth, and children, engage in policy dialogue on nutrition and livelihood, and advocate for enhanced nutritional status and viable livelihoods. By partnering with CSOs, the project will empower local communities to address nutrition and livelihood needs and navigate the impacts of the crisis. Targeting vulnerable groups in Anuradhapura and Nuwara Eliya Districts, the project will support District-level CSOs (D CSOs) and grassroots-level Community Based Organizations (GN-CSOs) to implement interventions and empower communities. Through capacity building and advocacy, the project seeks to create a sustainable network of change agents, promoting food security and well-being for over 500,000 individuals. Key themes include gender mainstreaming, social inclusion, local ownership, and green recovery, aiming to improve the livelihoods of women, youth, and children in Sri Lanka.

## THE OBJECTIVE OF THE ASSIGNMENT

This assignment is to Strengthen GN-CSOs to improve their capacity in using information technology for their daily operation of record keeping, finance management and communication. It is also expected GN-CSOs to be aware on how to collect information which are relevant and important for their functions and the projects implemented by them from various online sources.

## SCOPE OF WORK & DELIVERABLES

The assignment involves developing and delivering training sessions for 40 GN-CSOs across Anuradhapura and Nuwara Eliya Districts. Training is to be delivered separatrely in two districts. It is expected to deliver the training in Sinhala medium in Anuradhapura and in Tamil medium in Nuwara Eliya mixed with English when necessary. Trainings is to be arranged clusterwise. 15 participants are expected for each cluster (5GN-CSOs x 3 representatives per GN-CSO). There

will be 04 clusters in a district making it 08 for both districts. Training is expected to design in 04 modules which needs to be delivered in 03 days per each cluster.

| NO | Deliverables                            | Description   |  |
|----|---|---|--|
| 01 | Development of training modules and     | It is expected to design the training modules               |  |
|    | session plan                            | covering topics listed;                                     |  |
|    |   | <ul> <li>Basics of Computer</li> </ul>                      |  |
|    |   | <ul> <li>Operating systems</li> </ul>                       |  |
